

Climate change was not a concern 50 years ago. It is now. A tree was planted on your behalf that will make a positive impact on our environment.

Thank you for of your love and friendship as we celebrate our Golden Wedding Day.

*Love, Chris + Andrea*

Front of card

To commemorate this special day, a White Spruce seedling has been planted on your behalf by the Manitoba Forestry Association at the Sandilands Forest Discovery Centre near Hadashville, MB.
