

How to Impress the Judges with Your Presentation

- ☑ **Respond** to the questions
 - **Emphasize Key Points** in your presentation
- ☑ **Demonstrate your understanding** of the topic
 - **Discuss the Topic** – describe issues, causes, effects, solutions
 - Incorporate the **four Envirothon disciplines**
 - State your **Goals**; present a specific **Action Plan** to achieve those Goals
 - Describe how you will **Track Progress and Measure Success**
 - Identify **Obstacles and Difficulties** to implementing your plan
 - Recognize how your plan might affect **Other Interests**
 - Use **Examples**, cite **Facts**
 - Give your own **Informed Interpretation**, don't just repeat information from the Envirothon resources
- ☑ Use **Good Science**, be technically credible
- ☑ **Participate as a Team**
- ☑ **Communicate your Message** to the Judges and the Audience
- ☑ Be **Interesting, Enthusiastic, Confident and Knowledgeable**
